Join us as we return to our mountain base at Sierra Nevada for action packed days of exploring the pistes. **Our excursion has the highest level of quality and respects all guidelines for safety & good health practices, ensuring the best experience at all times.**

Adventurebug S.L. has led school Ski Adventures since 2001. This trip is a holiday and a celebration of winter in the mountains. After a full ski or snowboard day, we'll visit the ski resort, go tobogganing, build snow forts, play games and try the fast LUGE track that's also included in your trip package! Later, we'll make some noise in our nightly game's sessions... You needn't be expert at anything – though we encourage you to TRY your best!

Our Ski Lodge is purpose-designed for school groups and we have snow right outside the door – great for evening sledging and snow forts! Rooms are 2 to 4 sharing with central heating and private bathroom & showers. Huge buffet meals are taken in the hostel's restaurant and there's a games room, massive TV area, pool tables and a big room for our own private activities and hidden talents!

This is MORE than just a ski trip – it's an Adventurebug Winter Experience at a ski resort with your mates – so get on board, invite your friends and join us for this year's big trip, you'll love it!
