IS THIS FOR ME?

Families, groups and singles really love this trip. We ensure you get the most from Morocco with our expert guiding, beach selections & surf classes! You'll see a lot of the region too 😊. No experience necessary & only a general level of fitness is recommended.

HOW IT WORKS

The adventure begins in Agadir where you're collected and a short journey takes us to our cozy and chilled seaside, surf base for 5 nights. Mornings are spent taking classes whilst afternoons allow for free surf time and fun excursions arranged by us! We look after all your ground arrangements and supply you with boards, instruction, transport, lodgings, plenty of meals and a load of fun adventures too! This is a great way to experience Morocco, meet some cool folk & give surfing a proper go. Morocco surf is safe, clean and the community is very supportive. Yalla!
